EVERYBODY'S WELCOME
Could I help to ensure that the children of the Parish are fully involved in the liturgy – and that our teenagers and young adults are attracted to the Church?

PARISH BBQ (1)
Very many thanks to everyone who helped and contributed in making the Parish BBQ such an enjoyable occasion. It really was a feast with such delicious salads and tempting puds.

The chefs were unfrappable in the heat, the bar staff kept us supplied with cold drinks. The garden squad and the ladies in the kitchen were, as ever, very efficient – all in all a splendid team effort. Thank you.

## The Capivara Project - Brazil/England

Last year a paper was put out in the church concerning the Capivara project. That is, in a nutshell, all about rehabilitating street kids, drug addicts and the like and society dropouts, and to help them overcome the trauma of their lives, discover their self-worth and to start life afresh.

Many years of groundwork have gone onto this scheme which is soon to be granted the status of a registered charity. There is a variety of work in progress, some within this parish and surrounding area, all within the same ethos..

I can still find copies of the last, more comprehensive explanation of Fr. Joe's work if anyone is specially interested, also the original series of newsheet items on this project from 2003. For these please contact Doreen Fothergill either at church or phone 01451 860609.

USED STAMP COLLECTION BOX
There is a *used stamp collection box* at the back of the church, the profits from which will go to help the *Capivara Project*. Please give it your support. Just cut the stamps of the envelopes leaving about 1 cm around the edges. All stamps including English can be donated.

PARISH BBQ (2)
What a success story!
The central area had been transformed – an exact replica, I'm told, of the royal pavilion at Agincourt. Under it sat gentry and peasants together, reciting love poems between courses of wild boar and turtle eggs. A gallant crew of scullions, minions, varlets and rascals attended to their every need…
…a wonderful event, a wonderful team effort on a blazing Sunday afternoon – special thanks to Tina Dick*, who master-minded the whole operation.

* a real person. Any resemblance between others mentioned and people actually present is purely coincidental.
